

allfolin® bag
tires

Side-gusset-bags made from regenerated materials

100%

Made in Germany
Reliability
Perga Quality

- ✚ **allfolin® bag side-gusset-bags** are made from blended PE film. Available in the following grades:
 - PIR-recycled in white or black
 - Or, for an additional charge, with the “Blue Angel” eco-label made from PCR-recycled material in white
- ✚ **allfolin® bag side-gusset-bags** are available loose or in blocks. We recommend the blocked version, perforated for easy tearing with hanging holes along the block edge, for easier removal
- ✚ **allfolin® bag side-gusset-bags** are durable, waterproof, grease-resistant, printable, cold- and heat-resistant
- ✚ **allfolin® bag side-gusset-bags** are available in white and black as standard and can be custom printed
